

Horse Mania @ Golden Ridge Stables

Horse Mania @ Golden Ridge Stables is an amazing day camp designed to create lasting memories for your child. Your child will discover how to safely work with his/her horse on the ground as well as on its back in a "hands and seat on" environment.

Horse Mania @ Golden Ridge Stables provides each child with individual attention with only **eight** campers per week. Campers learn fascinating facts about their horses and enjoy structured riding lessons. Awesome activities include fun games, creative crafts, and lots of time with the horse.

Conveniently located in Lakeville, we ride rain or shine in our safe, clean indoor facility. The last day of camp is "Show Day" where parents watch their rider's progress and take lots of pictures! Each rider goes home with a treasured keepsake and a life long love for horses.

Pony Camp @ Golden Ridge Stables

Designed for horse lovers who have completed kindergarten or first grade, our short program is for younger students who love horses.

With their very own barn buddy, each child will discover how to safely work with his/her horse on the ground as well as on its back in a “hands and seat on” environment. There will be a daily riding lesson, age appropriate and horse theme stories, games and crafts under close supervision. Our goal is to safely introduce young students to encourage a life long passion for horses.

Conveniently located in Lakeville, we ride rain or shine in our safe, clean indoor facility. The last day of camp is “Show Day” where parents can take lots of pictures! Each rider goes home with a treasured keepsake and a lifetime love of horses.
