

# 2024 Summer Riding Lessons

Golden Ridge Stables has taught Minnesota to ride since 1986. Our established lesson program offers quality hunt seat lessons for youth and ladies of all ages and abilities on well-mannered school horses. Our students discover how to work with each horse on the ground as well as on its back. Riding is a life skill that teaches self-discipline, communication, and teamwork. Our goal is to develop confident lifelong horsemen.
